What Patients Are Saying About Bodywise

Patients rave about their experiences at Bodywise Health & Rehab. Many have found incredible relief from chronic pain after sessions with our skilled practitioners. One patient noted, "After months of seeing various professionals for my back pain with little to no improvement, Ed was able to fix my back in just two sessions." This sentiment of effective treatment is echoed throughout our reviews.

Another patient highlighted the importance of teamwork among our staff: "I started with Sara for massage and I now see Dr. Andrea for chiropractic treatments as well. I really like how they can work as a team to give me the best chance at getting better."

Expert Care from Skilled Practitioners

Dr. Karen Garner is frequently praised for her thorough approach and ability to address diverse health issues. A grateful patient stated, "Dr. Garner helped me resolve some major issues I was having with my back and legs." Her expertise extends beyond just adults, as she is also known for treating pets, providing holistic care for all members of the family.

Similarly, Dr. Andrea Dorman has transformed lives through her specialized techniques, helping patients manage conditions ranging from migraines to sports injuries. One satisfied patient shared, "Dr. Dorman has worked on every member of my family for years. She has fixed numerous injuries and long-term problems."
