Quinte Assessment and Treatment Group, Quinte Counselling Services Inc. - Belleville

Overview of Family Counseling at Quinte Assessment and Treatment Group

Quinte Counselling Services Inc. is located in Belleville, Ontario, and offers a variety of family counseling services aimed at providing support to individuals and families facing various challenges. The center is designed to be accessible,

featuring **wheelchair-accessible entrances** and a **wheelchair-accessible car park**, ensuring that all clients can access their services.

Amenities and On-Site Services

The facility provides essential **amenities** such as **toilets** and comfortable waiting areas. However, reviews suggest that some aspects of the building's condition may require attention, with mentions of **water damage** and other maintenance issues affecting the overall experience. Despite these concerns, there are **on-site services** available for those needing immediate assistance, and clients can also book **online appointments** for added convenience.

Service Options and Accessibility

Quinte Counselling Services offers a range of **service options**, including individual therapy, family assessments, and psychoeducational evaluations. While the availability of therapists varies, reviews indicate that some clients have had positive experiences with specific therapists, appreciating their understanding and approach. Clients are encouraged to make **appointments**, as they are typically **required** for all services. Many reviews recommend making **appointments** in advance to avoid long wait times, as feedback from previous clients indicates significant delays in service delivery.

Client Experiences: A Mixed Bag

While some individuals have praised the counseling services, expressing gratitude for the helpfulness of certain therapists, others have voiced strong dissatisfaction with their experiences. Issues reported include rude staff interactions, miscommunication regarding appointments, and perceived inadequate care. One client noted that they received great **psychoeducational assessments** for their children, highlighting the skill of psychologist Jennifer Gaddes. Conversely, several reviewers shared experiences of feeling dismissed or not adequately supported, particularly regarding mental health challenges like depression and anxiety.

Conclusion: Weighing the Pros and Cons

Choosing a family counselor can be a critical decision, and clients at Quinte Counseling Services have provided both commendation and criticism for their experiences. While the accessibility features and some therapists receive positive remarks, the overall service consistency appears to vary significantly. It is advisable for potential clients to carefully consider these factors and possibly seek recommendations before committing to appointments at this facility.
