## *Beverly A. Hann Psychology Professional Corporation - Sault Ste. Marie*

### **Beverly A. Hann Psychology Professional Corporation: An Overview**

Beverly A. Hann Psychology Professional Corporation is located in Sault Ste. Marie, Ontario, and offers psychological services to individuals seeking support for various mental health concerns. While the corporation has garnered a mix of reviews, it remains a notable presence in the community.

### **Accessibility Features**

One of the strengths of Beverly A. Hann Psychology Professional Corporation is its focus on **\*\*accessibility\*\*** for all patients. The facility boasts a **\*\*wheelchair-accessible car park\*\***, ensuring that those with mobility challenges can access the building without difficulty. Additionally, the office features a **\*\*toilet\*\*** that is also wheelchair accessible, enhancing the overall comfort and convenience for visitors. These amenities play a crucial role in providing an inclusive environment for everyone who requires psychological services.

## **Client Experiences**

The experiences of clients at Beverly A. Hann Psychology Professional Corporation vary significantly. Some individuals highlight the exceptional skills of Dr. Hann, noting that her approach effectively addresses issues in a timely manner. Clients appreciate the ability to move past their difficulties rather than getting stuck in endless discussions about the same problems. This proactive methodology is particularly beneficial in therapeutic settings, where progress is often the primary goal. Conversely, there have been concerns raised about professionalism during sessions. One client noted a troubling incident involving communication with WSIB (Workplace Safety and Insurance Board), describing a damaging voicemail that impacted their claim adversely. Such experiences emphasize the importance of careful consideration when choosing a psychologist.

## **Conclusion**

Beverly A. Hann Psychology Professional Corporation stands out in Sault Ste. Marie for its commitment to **\*\*accessibility\*\*** and the provision of essential **\*\*amenities\*\***. While many clients find her approach effective for moving past mental health challenges, potential clients should be aware of mixed feedback regarding professionalism. It is crucial to assess personal needs and consider these factors before seeking services.
