Turning Point understands the importance of accessibility for all clients. The clinic boasts a **wheelchair-accessible car park**, ensuring that everyone can access their services with ease. Additionally, the **wheelchair-accessible entrance** and **wheelchair-accessible toilet** further enhance the experience for those with mobility challenges.

Making Appointments

Appointments are highly recommended to ensure that clients receive the best possible care. It is essential to note that an **appointment is required** before visiting the clinic. Clients have attested to the professional efficiency of the staff in managing appointments, making the process as smooth as possible.

Client Experiences

The testimonials from clients speak volumes about the quality of care provided at Turning Point. One client expressed gratitude for Anna's empathetic listening skills and ability to delve into core issues without judgment. This kind of support profoundly impacts psychological well-being and demonstrates the clinic's commitment to compassionate care.

Another reviewer highlighted the clinic's expertise in treating complex cases of OCD, appreciating the effective use of Cognitive Behavioral Therapy (CBT) and Acceptance and Commitment Therapy (ACT). The availability of both individual and online group sessions has proven beneficial for many clients struggling with these conditions.

Professional Development and Approach

Turning Point is dedicated to ongoing professional growth. Clients have noted how therapists at the clinic, like Pouya and Jeff, employ structured approaches based on ACT principles, which significantly assist in managing anxiety and relationship OCD. This commitment to learning new methods ensures that clients receive effective, evidence-based treatment.

Planning Your Visit

When planning your visit to Turning Point Psychological Services, be sure to allocate sufficient time for your appointment. While some clients may experience delays in receiving reports after consultations, the overall feedback suggests that the care given during sessions is worth the wait.

A Community Favorite
